## AMARUKHAN INDIOS SOVEREIGN GOVERNMENT STANDS AGAINST REVERSE ANTI-SHEMETIC RACISM...

**Sha’Kori IAI International Territory, 2022/11/04** – Sha’Kori AyeliUdotlsv Yí’SraeL KINGDOM Commonwealth, in an unprecedented stance, rescinds its former support of the Brooklyn Nets Star Basketball Player, Kyrie Irving, after the release of ORIGINAL New York Post article, dated 3 N-venber 2022, in which Kyrie Irving boldly stood behind his nationality; being Hebrew Israelite as written in our immutable Scriptures, was redacted.

The New York Post’s blatant redaction of the ORIGINAL article Sha’Kori AyeliUdotlsv Yí’SraeL KINGDOM Commonwealth stood in support, coupled with Kyrie Irving’s humiliating public apology rendered under coercion, duress, and severities, et al., (as in the days of old); the absolute sovereign government birthed forth of days of antiquity can no longer support the NBA Player’s compelled apology under said reversed antiShemeTic “racists” turn of events—censorship of “woke” Hebrew Israelites’ right to speak Truth, Fact, and Law on the lands of our First Nation “AbOriginal Peoples; to wit, the United States has coined “the land of the free”... unless you are the ORIGINAL AmaruKhan.

Sha’Kori AyeliUdotlsv Yí’SraeL KINGDOM Commonwealth stands unequivocally behind its DECLARED Sovereign Government, its DEMARCATED IAI InterNaTional Territory; moreover, its repatriated flesh and full-blood IbarYath Abar’Rishoni AmaruKhan InDios Peoples known as the Copper-Colored People Europeans encountered upon its colonization of the so-called Americas, according to Websters Dictionary, 1828.

Sha’Kori AyeliUdotlsv Yí’SraeL KINGDOM Commonwealth is an Original AmaruKhan InDios Sovereign Government birthed forth of Days of AntiQuity (580-577 B.C.) on the covenanted lands of our RoYaL Ancient Ones, under the plenary protection of First Nation Abar’Rishoni Peoples Embassy: North, South, Central Amarus.
